

Understanding Alzheimer's & Dementia With Dr. David T. Hutchings

Thursday, Aug. 31, at 3 p.m. | in the Town Hall at The Capstone at Station Camp

Join us to hear nationally recognized geriatric neuropathology and dementia expert Dr. David T. Hutchings.

Dr. Hutchings serves on the faculty at John Patrick University and is co-chair of the university's cognitive and memory disorders clinic. He is the chief operations officer for Spectramed and provides guidance to the Alzheimer's Association on the state and national levels, working with the organization to educate practitioners and caregivers.

RSVP by Tuesday, Aug. 29, by calling (615) 675-0400.
